# THE EARLY CHURCH WAS CATHOLIC

Early Christianity was the beginning of a Spirit-guided line of faith leading directly to today's Catholic Church. If you want to learn to defend that Church at its roots—or if you're just curious about what our eldest Christian brothers and sisters believed—you can expect in these pages to be richly rewarded.

Great book filled with information from the Church Fathers that will only amaze and strengthen your Faith.

“ I read this book, and thought every parent should read this book!!! Our pastor is supporting the effort to get this into the hands of every parent in our parish! Then we are planning follow-up sessions to discuss each chapter hosted by our priest, deacons, and parents.

—Kristen, DRE  
St Mark's Catholic Church Norman, OK

“ These \$1 booklets are perfect to level-up the formation of our parishioners, catechists, and students and deepen appreciation of the Eucharist. Every parishioner in every parish will receive these!

“ Our priest gifts these to RCIA members and all the marriage-prep couples who may be marrying non-Catholics. It's non-threatening and invitational.

—St Mary's Cathedral, Gaylord, MI

“ We have a highly visited historic church in our area and these 20 Answers booklets are placed in a visible area and are reaching visitors from all around the country!
